CHARACTER APPEARANCE

## KHORDBLUK CLAN:

The orcish clan Bebe was born into. Khordblud is the name of the founder of the clan, an Orc who historically allowed other races to live among his family in the forested mountains they're native to. Hundreds of generations have passed, and the clan has become less diverse and accepting of outsiders after years of historical betrayal by past leaders, where now all clan members are a blend of half-orc still living the barbarian orcish traditional life. A coming of age tradition among the clan known as "Bludva" is a cherished ritual for the youth of the clan, where at age 12 they must venture outside the mountains to slaughter 10 worthy enemies and bring home the trophies of each to prove their worth to be amongst the clan and if the trophies are worthy enough, be the next in line for leader of Khordblud

## ALLIES &amp; ORGANIZATIONS

Daughter of the current chief of her clan, Brutus Bone-Breaker, she has always been the golden child of her people and the biggest daddy's girl. Her father raised her on his own, telling Bebe that she was "too strong for her mother, so her mother sacrificed herself to bring the strongest beast into our world to save our clan". She was taught to be ruthless, and that displaying her strength was the way to prosperity and to honour her people.

Despite her strength and enthusiasm for violence, Bebe has always been known to love anything cute and frilly. Although it does not trump her aggression, something cute and fluffy is bound to distract her for a moment.

She has now left her clan to complete her year of Bludva, where she believes she will conquer the outside world with her fist and truly earn her position within her clan.
